You certify and confirm that: (a) you are the principal of the named business and that you are authorized to apply for credit on its behalf, and (b) that the information contained in the application is true and correct. (2) CREDIT REPORTS AND OTHER FINANCIAL INFORMATION. By proceeding with the application, you hereby acknowledge and agree, in order to process the application, that: (1) the business information of the applicant and your personal information (as principal) is being collected by Ritchie Bros. Financial Services Ltd. (RBFS), or its representatives, to be shared with RBFS' financing partners identified by RBFS or its representatives as potential lenders; (2) RBFS may seek additional personal or financial information from you during the application process, all of which will be shared with those potential lenders, and may obtain a credit report from a credit reporting agency; and (3) potential lenders may also obtain their own credit report or other credit information from a credit reporting agency or credit grantor. Note that a record of any credit report requests or searches will be retained by credit agencies and may be used by other lenders in assessing unrelated applications by you for credit in the future. You hereby authorize a lender partner to retain and use the above-mentioned information in combination with any other information in their possession to assess your creditworthiness, reputation or way of living, as well as the creditworthiness and reputation of the applicant, in order to determine eligibility for credit. If required, RBFS may seek, on behalf of the lender, additional personal or financial information from you to assist you to complete and finalize the lender's loan documentation. To help fight the funding of terrorism and money laundering activities, where required by law, we will obtain for the lender identifying information or documentation (i.e. driver's license) so that the lender may verify your identity prior to credit approval. You also acknowledge that a lender may assign any contract entered into, in whole or in part, from time to time, and you agree that any business and personal information collected during the application process may be made available to such assignee(s). If the applicant is granted an open credit approval by a lender, then you acknowledge that, unless you expressly notify us otherwise, RBFS and the lender may perform additional credit checks and other assessments to get an update of your creditworthiness at any time while the approval remains open (typically up to 90 days). Once an approval expires, a new application is required. If you or the applicant request, RBFS will advise: (i) the names of the potential lenders with whom information was shared, and (ii) whether a credit report was requested, and, if so, by whom and the name and address of the credit reporting agency that furnished the report. (3) PRIVACY NOTICE. The information obtained by RBFS, or its representatives, in connection with this application or the loan approval process will be collected, used and disclosed, in accordance with our privacy statement (accessible from [www.rbfinance.com](http://www.rbfinance.com)) and for the following additional purposes: (A) where permitted, to offer additional products and services that may be of benefit or interest to you or the applicant; (B) to manage the loan approval process as well as any renewals, extensions or early terminations (C) to share the information with our affiliates, so they can collect money that you owe them or so they can enforce their contractual or other legal rights against you; (D) to share the information with our third party service providers as required to complete the application process or other transactions that you have requested, (E) to share with other third parties that perform studies, surveys, or analyses that enable us to better serve our customers and gain a better understanding of our industry, and (F) to create internal reports on the performance of our products and services so that we can review the effectiveness of, and understand, our business.
